## Hill County Outreach Spotlight

Hill County WIC is hosting a baby food making class through their adult community education classes. The class is offered at a low cost to encourage WIC clients, and other referred clients to attend. The idea was started as a way to push the addition of fresh fruits and veggies in the older infant food packages. The class will include WIC info, benefits of making baby food nutritionally and financially, and a demonstration of three different recipes using WIC friendly foods. This is great creative outreach by the Hill County WIC staff!

## Civil Rights Training

Thank you to everyone who has submitted their Civil Rights training thus far. As a reminder, please only submit **ONE** form per lead local agency, with the exception of new hires, they must complete to get access to SPIRIT. If you know staff is out of the office or unavailable, wait to submit until all staff of that agency signs, including the satellite clinics. The deadline for civil rights training is Aug 30<sup>th</sup>. The PowerPoint is located on our website under the training tab. Thanks!
